METALTECH2010

THE 16TH ASEAN INTERNATIONAL MACHINE TOOLS AND METALWORKING TECHNOLOGY EXHIBITION

With co-location of:

MTA MALAYSIA2010

The 7th Malaysia International Precision Engineering, Machine Tools
and Metalworking Exhibition & Conference

Incorporating:

ASEAN'S MEGA International Machine Tool & Metalworking Event is BACK!

东协大规模国际金属加工机械展又来啦！

Looking for Machine Tool, Metalworking Machinery, Precision Engineering Solution, Robotics, Material Handling Equipment, Welding Instruments and many more? There is only one place you should visit – **METALTECH 2010 & MTA MALAYSIA 2010!**

METALTECH 2010 and MTA MALAYSIA 2010, billed as ASEAN's MEGA International Machine Tool Event, returns bigger and better, with even more exciting exhibits!

HERE ARE THE FACTS TO PROVE IT:

- More than 1,200 exhibiting companies, an overall increase of 33% from METALTECH 2009 and MTA Malaysia 2009.
- 30,000 Sqm of exhibits at the Putra World Trade Centre, Kuala Lumpur.
- 5 International Pavilions from Germany, India, Korea, Singapore and Taiwan.
- Continuous participation from major key players amongst the manufacturing and metalworking supplies industry.
- Strong support from various local and international industry bodies.
- Over 25,000 high profiled buyers from across the region.

您是否在寻找机械工具、金属加工机械、精密工程方案、机器人、原料处理配备、焊接器材等用品？不妨前往2010年马来西亚金属加工机械展！

马来西亚金属加工机械展被誉为东协大型的国际金属加工机械展，而且规模更大更丰富，还有更精彩的展品！

以下重点说明展览的独特性：

- 有逾1200家参展公司，比2009年马来西亚金属加工机械展整体增加了33%。
- 展览场地占吉隆坡太子世界贸易中心3万平方米。
- 5大国际团队来自德国、印度、韩国、新加坡及台湾。
- 主要同业者以及制造商和金属加工供应商延续参展。
- 获多个本地及国际业界机构的鼎力支持。
- 来自各区域超过2万5000位高潜质的买家。

INTERNATIONAL PAVILIONS

国际代表团

Korean (BEPA)@ METALTECH2010

This year, the Busan Group returns bigger and better to METALTECH for the 3rd year consecutively.

Spearheaded by the Busan Economic Promotion Agency (BEPA), the group located at Hall 3 will be showcasing their latest technological achievements in the field of machine tools, tool and accessories for the metalworking industry.

BEPA is a non-profit foundation established by Busan Metropolitan City and the Small and Medium Business Administration in order to provide support such as financing, marketing and technological systems to companies in the Busan area.

SINGAPORE (SMA)@ METALTECH2010

The Singapore Manufacturers' Federation (SMA) has been coordinating the national group from Singapore to METALTECH for more than a decade. The return of SMA to METALTECH 2010 will see larger gathering of companies confirming their participation.

Expect to see an array of products and services from this group of participating companies, namely Actuant Asia, Cairnhill Metrology, Eita Technologies, Faro Singapore, Hakuruma, Intermech Technology, Machine Trading Centre, NPC Systems, Sellery Tools, SPX, Sunny Instruments, Vantex and VGS.

Korean (UBSC)@ METALTECH2010

Ulsan makes its debut at METALTECH 2010

METALTECH 2010 is proud to host for the first time the Ulsan Group. For decades, Ulsan has been one of the driving forces to Korea's growth. The centralization of industries in Ulsan has also endowed Ulsan with the finest machine tools and tooling technologies.

Leverage on the opportunity to meet this dynamic group from Ulsan. Led by the Ulsan Business Support Centre (UBSC), the Ulsan pavilion located at Hall 4 of METALTECH 2010, will see the gathering of companies, namely Bukyung BNG, Altus Korea and World Tools.

Singapore (SIAA)@ autoMEX

Entering its 3rd consecutive year, the Singapore Industrial Automation Association (SIAA) will yet again spearhead a group of automation related companies from Singapore. SIAA has been the vanguard of the automation movement since 1982, actively involved in promoting applications of industrial automation to enhance the competitiveness of businesses and products.

Visitors to this pavilion located in Hall 5 will be treated with the latest technology in the automation industry; exhibitors include APT, Four Star Enterprise, Intelligent Actuators System, Kabelschlepp Singapore and Sales Trade.

TAIWAN@ METALTECH2010

METALTECH 2010 is proud to announce that the Taiwan pavilion at Hall 3 and 4 has seen a record number of participating companies. Led by the Taiwan Machine Tool & Accessory Builder's Association (TMBA), visitors can expect a large variety of products and supplies in the area of machine tools and metallurgy.

Making up the pavilion are companies such as Kuani, Sus, Hiwin, Chu Weir, Yee Young, Airboss, Li Hsing, HG Technology, Kojex, Arcs Precision, HKF, Chuan King Sang, Accu-cut, among others.

METALTECH 2010 & MTA Malaysia 2010 is a great place for sourcing and expanding your business network. If you know of colleagues or others in the metalworking and machine tools fraternity, please share this Show Preview with them. Alternatively, you may forward us their contact details and we will get in touch with them!

2010年国际金属加工机械展及2010年马来西亚国际工具加工机械展是您寻求及拓展业务网络的最佳平台。请邀请您的同事或其他金属业同好者，一起分享此预展。或者，您不妨将他们的联络资料呈交予我们，让我们亲自联络他们。

INTERNATIONAL PAVILIONS

国际代表团

SINGAPORE [SPETA]@
MTA MALAYSIA2010

The Singapore Pavilion at MTA 2010 will be co-ordinated and spearheaded by the Singapore Precision Engineering and Tooling Association (SPETA). Catch the latest technology and machinery from Singapore which will be on display at the show. Making up this pavilion are companies such as Munger Machine Tool, Blum Production Metrology, Intec Precision Equipment, Taipei Industries, Dynacode Systems, Asia Masima, Penta Ventura, Advanced Manufacturing Tools, Flexspeed Technology and ISA Technology, just to name a few of the many participating companies.

German (BMW, AUMA
& VDW)@

MTA MALAYSIA2010

This year's German Pavilion at MTA Malaysia will be co-ordinated by the German Ministry of Economy and Technology (BMW), the Association of German Trade Fair Industry (AUMA) and the German Machine Tool Builders' Association (VDW). Discover the most modern machine tools and manufacturing systems for metalworking processes in the field of metal cutting and metal forming, cutting tools, clamping and measuring devices. Making up this pavilion are companies such as DMG, DWT GmbH, G.D.W. Werkzeugmaschinen, GMT Gummi-Metall-Technik GmbH, Hoffmann Qualitätswerkzeuge GmbH, Linn High Therm GmbH, Scholpp Dienstleistungsgruppe, TRUMPF PTE LTD and others.

Indian@
MTA MALAYSIA2010

Indian Pavilion makes its debut at MTA

MTA is delighted to have partnered with EEPC India (Formerly Engineering Export Promotion Council) to offer visitors a showcase of Indian engineering innovation. Featuring a number of companies from across this vast country, the Indian pavilion will be a must visit attraction for manufacturers keen to view the latest in precision engineering capability.

EEPC India is the largest trade promotion organisation in India, set up in 1955 by the Ministry of Commerce & Industry, Government of India. It has nine offices in India, and two overseas, viz Chicago – USA and Singapore.

About 14,000 engineering companies in India are registered with EEPC India, making it the nodal agency for promotion of trade and investment in the Indian engineering sector. It is also an ISO 9001:2000 certified organisation.

EEPC India acts as a trusted link between Indian entrepreneurs and their foreign counterparts, helping overseas companies to locate suppliers/business partners in India. It arranges Indian Engineering Exhibitions abroad and in India and also takes the SME players to other major trade shows around the globe. It also arranges business delegations and buyer-seller meets in India and abroad, and acquaints foreign companies with business climate and policies prevailing in India.

Taiwan (TMBA)@
MTA MALAYSIA2010

Catch this year's Taiwan pavilion at MTA 2010 and witness the array of products and services that will be on display. Organised by the Taiwan Machine Tool & Accessory Builders' Association (TMBA), visitors to the Taiwan pavilion will be treated to a wide variety of products and services from companies such as Shieh Yih Machinery Industry, Paragon Machinery, Farman Machinery Industry, Flow Asia, Jeenxi Technology, New Form-Tech Enterprise, 3-Elite, San Yuan Hoist Corp. and many others.

Korean (JBSC)@
MTA MALAYSIA2010

Known largely for their industries in automotive parts and machinery, the Jeollabuk-do Province will bring a group of companies to Malaysia and make use of MTA Malaysia 2010 as an industry platform to showcase their technologies and services. This group is led by the Jeonbuk Business Support Centre.

MAKE YOUR TRIP TO METALTECH MALAYSIA 2010 & MTA MALAYSIA 2010 MORE WORTHWHILE & HASSLE FREE, SIMPLY BY DOING THE FOLLOWING:

- Pre-register online at www.tradelink.com.my & www.mtamalaysia.com before APRIL 28 2010
- Pre-register by fax - Fill out the Pre-Registration form enclosed and fax to +603 7842 7863 or +603 4043 7241

您不妨以更划算及省却麻烦的方式，前往参观2010年国际金属加工机械展及2010年马来西亚国际工具加工机械展展览，以下乃有利建议：

- 请于2010年4月29日前预先上网报名，浏览网页：www.tradelink.com.my 或 www.mtamalaysia.com
- 通过传真预先报名，填写预先报名表格后，传真到 +603 7842 7863 或 +603 4043 7241。

BENEFITS OF PRE-REGISTRATION:

预先报名的好处如下：

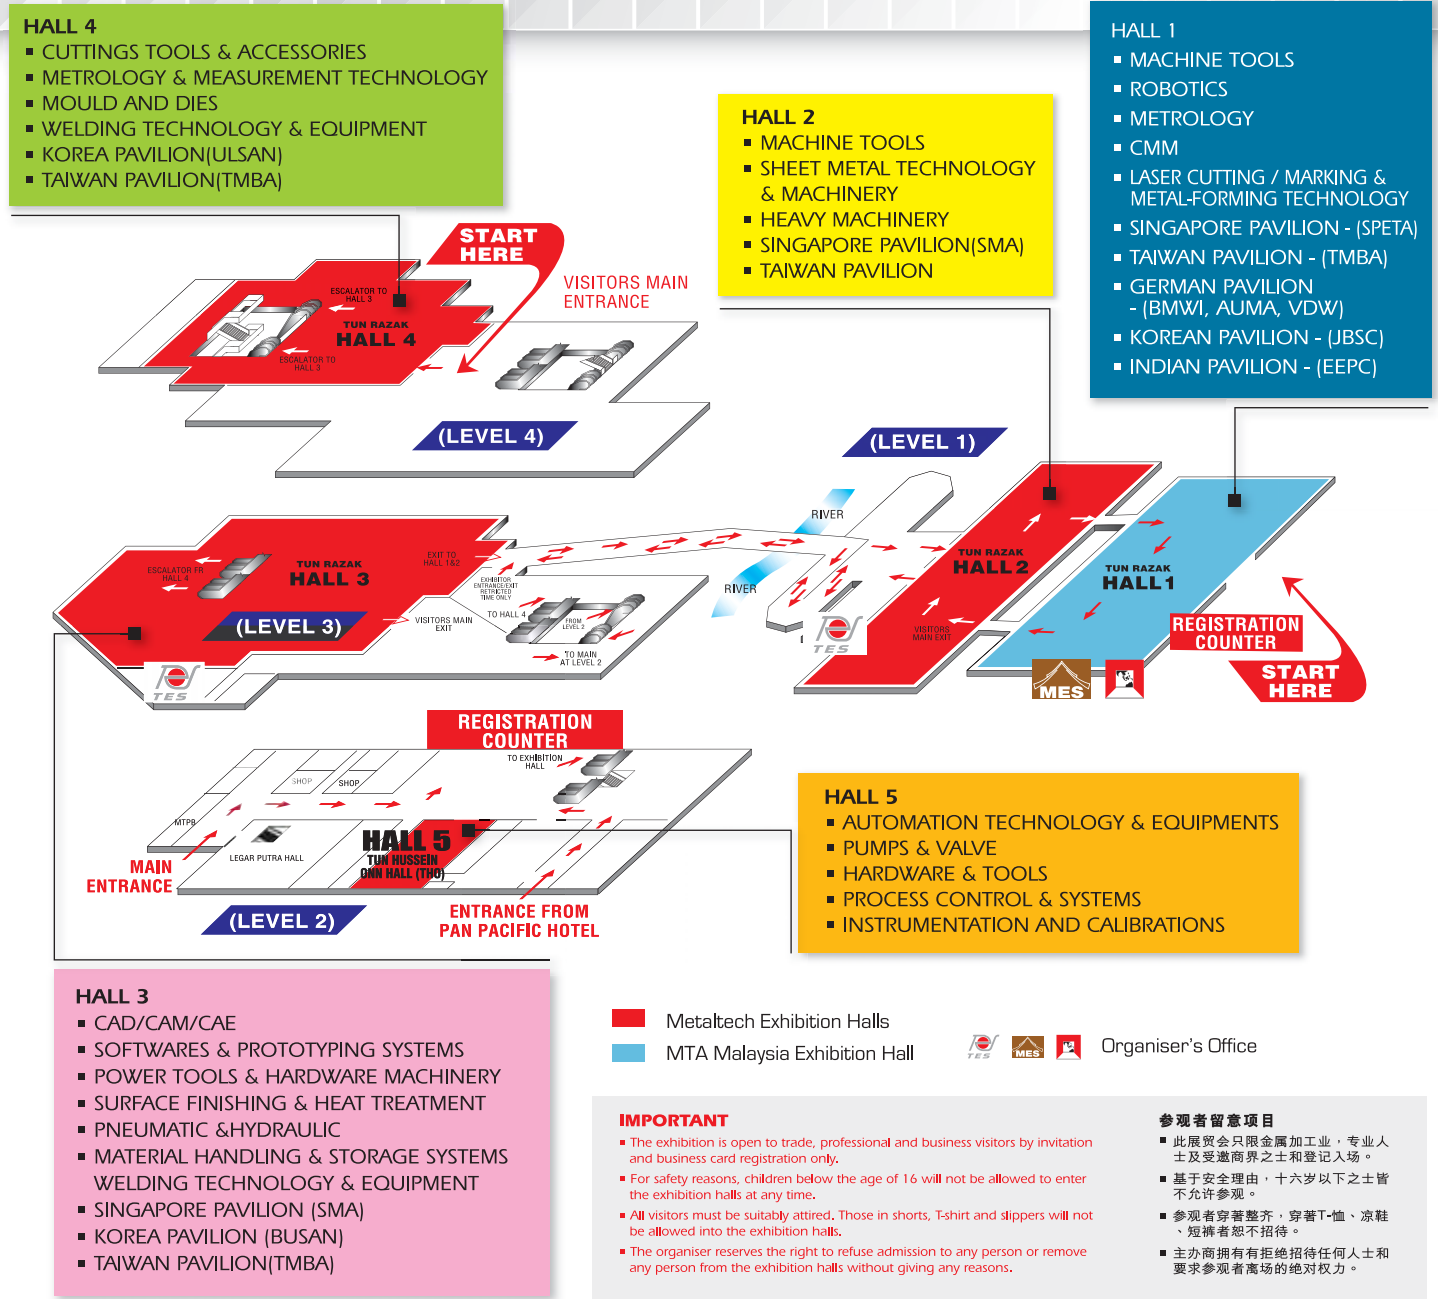

- You will receive a complimentary copy of the METALTECH 2010 & MTA Malaysia 2010 Show Directory. 您将获得2010年国际金属加工机械展及2010年马来西亚国际工具加工机械展展览目录一份。
- Pre-Registered visitors will have a dedicated Pre-Registration counter at the exhibition. 预先报名的观展者，可到展览的预先报名专用柜台获取服务。
- Book now and enjoy SPECIAL RATES at the Official & Supporting Hotels! 现在预订者，可在身为指定及支持单位的酒店享有特价优惠。

1ST SEMINAR

DATE : FRIDAY, 7 MAY 2010
 TIME : 2.00 PM - 3.30 PM
 VENUE : PERDANA SUITE 1
 TITLE : "DIFFERENTIATING BETWEEN THE VARIOUS LASER TYPES IN TRUMPF 2D LASER CUTTING PRODUCT PORTFOLIO."

2ND SEMINAR

DATE : SATURDAY, 8 MAY 2010
 TIME : 11.00 AM
 VENUE : PERDANA SUITE 1
 TITLE : " MICRO COMPONENTS LASER BLANKING BY TRUMPF SOLID STATED LASER TECHNOLOGY."

3rd METALTECHWELDING COMPETITION 2010

5th -9th May 2010

The 3rd METALTECH Welding Competition 2010 will be held concurrently with "METALTECH 2010". This event is organised by Welding Institute (Malaysia) Bhd and the main sponsor is Trade Link Exhibition Services Sdn Bhd.

The main objective of this competition is to give local welders the

opportunity to test their welding skills and have the honour of being recognised as among the top welders in the country. The competition will also increase the level of awareness on the importance of having the right welding skills in all industrial sectors.

Registration

- Interested participants are invited to register immediately. Registration forms can be obtained at
 - Welding Institute (Malaysia) Bhd - No 8, Jalan TSB 10, Sungai Buloh Industrial Park, 47000 Sungai Buloh, Selangor Darul Ehsan.
Tel: 03 61570542 Fax: 03 61572378 Email: inquiry @wim.org.my
 - Trade Link Exhibition Services Sdn Bhd - F-1-48, Jalan PJU 1A/3, Taipan Damansara 2, Ara Damansara, 47301 Petaling Jaya, Selangor Darul Ehsan.
Tel: 03 7842 9863 Fax: 03 7842 7863
- All personal information requested in the registration form must be completed with a copy of participant's identity card attached. The organisers reserve the right to reject any person without giving any reasons whatsoever for the rejection.
- Registration fee: RM 35.00 per person

Terms and Conditions

- Must be Malaysian citizens above 18 years of age with at least one year experience in welding
- Have knowledge and skill in at least two common welding processes
- Able to understand Welding Procedure Specification (WPS)

Competition rounds

Preliminary rounds : 5th -8th May 2010 (morning and afternoon)
Final round : 9th May 2010 (morning)

All the competition rounds will be held at Putra World Trade Centre, Kuala Lumpur.
